

Indoor Programs Protocol

MYS will not be sanctioning any indoor play (leagues, futsal, or clinics) this winter. If players or a team decide to participate regardless of the club's position, the McLean name may not be used and McLean branded uniforms, jerseys, warmups, and spiritwear are not to be worn to any indoor league, futsal or clinic.

As Fairfax County has made the decision to not allow use of their gym facilities this winter, MYS will not be offering any indoor programming at this time. We will be offering multiple winter *outdoor* programs and once those are finalized we will communicate them to membership.
