

MYS Spectator COVID-19 Protocol

As State and local jurisdictions adjust restrictions due to COVID-19, MYS has updated the club spectator policy for games/events. The following policy will be effective on **March 1, 2021** and will remain in effect until further notice:

- Coaches, players, team staff, referees, and club officials will be permitted to attend events at MYS facilities.
- One spectator per player will be permitted at the field during MYS events. This includes any space outside of fenced-off fields.
- All spectators & staff are required to wear a face covering over their mouth and nose when on county property.
- Spectators must adhere to the social distancing policy of a **minimum** of 6 feet between families.
- Spectators are permitted to accompany their player to and from the field provided they are wearing a face covering.
- Please do not congregate around entrances and exits or touch fencing.
- Spectators should come to the field no sooner than 5 minutes prior to kickoff.
- MYS families must abide by any and all rules in place at non-MYS venues.

The adjustment of this policy will ensure compliance with the restrictions and allow teams to continue to play while continuing to keep our community safe. We will continue to monitor the situation and keep you updated of any changes.

Elite Tournaments will be communicating spectator protocols and any updates to teams participating in the upcoming March tournaments.
