

MYS Mask & Spectator COVID-19 Protocols

As the CDC, State of Virginia and local jurisdictions adjust restrictions due to COVID-19, MYS has updated the club's mask and spectator policies for practices, games, and events. The following policy will be effective on **May 28, 2021** and will remain in effect until further notice:

- Coaches, players, team staff, referees, and club officials who are FULLY vaccinated (it has been two weeks since the 2nd dose of Pfizer or Moderna OR two weeks since the one dose of J&J) are not required to wear a mask at practices or games when at MYS facilities.
- Anyone who is NOT vaccinated is REQUIRED to continue to wear a mask to and from the field and while at MYS facilities.
- We will remain at two (2) spectators per player to be permitted at the field during MYS events. This includes any space outside of fenced-off fields.
- Spectators must continue to social distance when possible.
- Spectators are permitted to accompany their player to and from the fields but please do not congregate around entrances and exits.
- Spectators should come to the field no sooner than 5 minutes prior to kickoff.
- MYS families must abide by any and all rules in place at non-MYS venues.

The adjustment of our protocols will align the club with new guidance and still ensure that we continue to focus on keeping our players and community safe. We will continue to monitor the situation and keep you updated of any changes.
